Ref. No. :

Date :

Structural Stability Certificate

No: 2257

Date: 27/02/2019

Name of Work : Hanifa School (English medium) Building

Name of Owner : Borsad Tobacco Company Pvt. Ltd.

Location : Borsad Dhuvaran Road, Jharola Anand Gujarat

Type of Structure : RCC Columns, Beams and Slabs frame structure with brick infill walls.

I have verified design on site at various levels i.e. Ground Floor, First Floor, Second Floor and Cabin level. I have verified the earthquake resistant requirement of the structure, which it satisfies. It will take all external loads safely. I therefore certify that the building is safe and stable.
