## STRUCTURAL STABILITY CERTIFICATE

TO WHOMSOEVER IT MAY CONCERN

Date :28.03.2024

Name of work : Hanifa School (English Medium) Building

Name of the owner :Borsad Tobacco Company Pvt. Ltd.

Location : Borsad -Dhuvaran Road, Jharola, Anand, Gujarat

Type of structure : RCC columns, Beams & Slabs frame structure with brick infill walls

I have verified design on site at various levels i.e. Ground Floor, First Floor, Second Floor and Cabin level. I have verified the earthquake resistant requirement of the structure. Which it satisfies. It will take all external loads safely. I therefore, certify that building is safe and stable.

The above is valid for a period of 3 years.
